

MAIN MENU TOUR

THE MAIN MENU TOUR

Welcome to the Main Menu! This will pop up every time you open Miromaa.

These are the different views from which you can create and manage entries

The Learner View is for viewing words.

These tools help to manage Miromaa and share your language

VIEW

Entry - Allows user to enter words only. It has restricted access to the rest of Miromaa

Editor - Allows user to enter words & multimedia (audio, video, images and activities) and access to controls/protocol section. It has access to all areas of Miromaa

Linguist - Allows user to enter words and has additional fields offered according to linguistic practice

Archive - Where words that have been entered and archived are kept

LEARNER

Learner - Gives user access to read words and see any Images, Videos, Audio and Activities entered for those words. To be visible in the Learner View, a word must be given permission in the Editor

TOOLS

Word List - Create word lists from here

Dictionary - Create dictionaries from here

Export - Export for other programs, such as to make apps and into linguistic software like Shoebox and Toolbox.

To Do - Send notes and assign tasks to members of your Miromaa team or yourself

All Multimedia - List of everything you have uploaded into Miromaa including sources, Images, Videos, Audio and Activities

Options - A kind of control room, here you can manage the administration of Miromaa as well as customise and add to Miromaa

We would love to hear your feedback on Miromaa so please don't hesitate to tell us about your experiences:
